Sub. Awareness program for PG and PhD students under NAHEP-reg.

It is a matter of great pleasure to inform you that Centre for Advance Agriculture Science and Technology, NAHEP College of Agril. Engg, JNKVV Jabalpur offers excellent opportunities for PG and PhD students, to enhance their awareness about spatial data utilization in Agriculture and Natural Resource Management. The awareness programs in geospatial techniques will help and encourage students to explore this cutting edge technology for their research work in various disciplines of agriculture. NAHEP is going to organise a program for peer learning in this cutting edge technology.

Therefore, it is requested to share an hour from your busy schedule and make it valuable for us. It is further requested that kindly circulate this among Academic I/C, Seminar I/C, faculty member as well as students of your department.

The programs with schedule for peer learning is enclosed for your perusal.

PI NAHEP-CAAST JNKVV, Jabalpur
